- Databases
- Object Oriented Programming
- Analysis
- Creativity
- Communication

## INTERESTS

- Sports
- Chess
- Science
- Languages

## LANGUAGES

- French (native)
- English (C1-C2)
- Spanish (A2-B1)
- Arabic (A2)

## PROFILE

Currently in my final year of a Master's in Software Engineering at the University of Bordeaux, I am seeking an internship in France within the field of software engineering, preferably in the healthcare, finance, or defense sectors. Gifted with a great sense of analysis and with perseverance, I am driven by a strong desire to learn in order to widen my knowledge. I am a perfectionist and I follow through on everything I undertake.
